**Administrative Fee Structure
Weld Community Foundation**

Special Project and Pass-Through Fund Fee Structure

- Retain interest earnings as a fee.
- Assess a 3% fee on incoming gifts to the fund with an annual minimum fee of \$100.00.
- Other fees may be charged for projects that require out-of-the-ordinary staff attention or recordkeeping.

Component Funds Fee Structure

<u>Type of Fund</u>	<u>Fee</u>
Unrestricted Funds	1.50% annually
Field of Interest	1.65% annually
Donor Advised	1.75% annually
Designated and Agency Funds	1.40% annually
Scholarship Funds (standard)	1.75% annually
Scholarship Funds with fundraising component	2.5% annually
Charitable Gift Annuity	1% annually

Minimum annual fees of \$150 per year.

EXCEPTION: Sub-Funds: Sub-funds should be subject to the provisions of the master fund, with no minimum fee.

Fee will be assessed monthly on the average daily balance.

Higher maintenance funds are assessed at the higher rate.

If an account takes an extraordinary amount of time and resources, additional charges may apply.

This fee structure is effective immediately for new Scholarship contracts. Contracts written after the policy is approved shall be written at the new rates. Donors and fund holders shall be notified of these and other changes annually.

In addition to the above fees, each fund will proportionately share in investment and custodial bank costs.

Any variance to the fee structure must be approved by The Community Foundation Executive Committee.
